9. Additional References

[Entering Japan]

Applicants should take full responsibility for their immigration formalities.

[Housing]

You need to implement your own accommodation arrangements after receiving a letter of acceptance from Hosei University. You can reach some agencies by yourself after/prior to your arrival and contract at your own responsibility. Be aware that Hosei University has no involvement in these agreements.

[Health checkups and health insurance (in case of illness) during study at the university]

Students are allowed to go to the University clinic for medical examinations and consultation about physical problems.

As for the health insurance, students can become members of “National Health Insurance”.

[Scholarships (As of academic year 2016)]

(1) Hosei University Scholarship

For limited number of students, the amount of scholarship is Yen 200,000 annually.

(2) Hosei University 100th Year Anniversary Scholarship

For limited number of students, the amount of scholarship is Yen 450,000 annually.

(3) Other scholarships and grants are provided for foreign students by public organizations and private foundations, however, the number of beneficiaries is limited.

(Note) The above scholarships are applicable only after admission, therefore most of international students need to be financially prepared at least for the first year in school.

[Necessary Credits for Completion and Terms of School Attendance]

(1) Master's Course

Candidates for Master's degree need to obtain more than 30 course credits, get through their Master's thesis screenings, and pass final examinations. The study is usually completed in 2 years and has to be finished within 4 years.

(2) Doctoral Course

Candidates for Doctoral degree need to complete their courses, get through their dissertation screenings, and pass final examinations. The study is usually completed in 3 years and has to be finished within 6 years. As an exceptional case, the study may be completed in 1 year for students who have taken more than 2 years to complete the master's course or in 2 years for students who have completed the master's course in 1 year.

[Conferral of Degrees]

Upon successful completion of their courses, students will be conferred the following degrees:

Graduate School	Major	Degree (Major)	
		Master's	Doctoral
Computer and Information Sciences	Computer and Information Sciences	Master of Science (Computer and Information Sciences)	Doctor of Science (Computer and Information Sciences)
